REPORT OF MONROE SCHOOL DISTRICT

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Monroe:

I am giving below the enrollment of the several schools and the teachers' names for the present school year: North Monroe, 12 pupils, Gladys Nugent and Samantha Smith; Number Three, 19 pupils, Violet Ward; Monroe Plain, 29 pupils, Sarah Walker; Pollard, 16 pupils, Sadie Tabor. There are fifteen more pupils in town than last year at this time.

The per cent of attendance for the school year, 1923-24 was 95.5 per cent, an unusual record for country schools. Five pupils were not absent nor tardy during the entire year,—Wallace Brown, Ethel Somers, Kathleen Somers, Leslie Ward, and Linfield Ward.

Howard Ward was the only graduate from the eighth grade in June. The town is paying the tuition of eight pupils at McIndoes Academy and one at Pinkerton Academy at Derry. The town offers a good education to every child within its borders who is willing to make effort enough to take it.

During the fall the underpinning was relaid under the Pollard school house and new windows put in at the Plain. Another year a larger woodshed should be built at the Pollard school and the desks at Number Three replaced. A little money spent each year on minor repairs will gradually bring all schools in town up to the state standard.

There were during the year 227 visits by parents and citizens and 68 by the superintendent. The school nurse, Miss Underhill, made 16 visits to the schools

and 30 home visits. The health of children is of far more vital importance to the family and the community than scholarship, and good health depends almost wholly on personal cleanliness, proper food and habits of eating, and plenty of fresh air and exercise. The school nurse with the aid of the teacher is trying to put across one of the big stunts in modern education and deserves the hearty cooperation of every home.

Again I call to your attention the fact that the schools do not have adequate playgrounds. Play places are as essential to modern life as work places.

We must train our children to make wise use of leisure time.

Respectfully submitted,

NORMAN J. PAGE.
